Ctroniq Uno 8000 Series – Redefining All-in-One PC Performance and Elegance

Discover unparalleled efficiency and sophisticated design with the Ctroniq Uno 8000 Series All-in-One PC. Engineered for superior performance, featuring Intel® Core™ processors (i3, i5, i7), it's perfectly tailored to suit your professional and personal computing needs.

Sleek Design, Maximum Impact

Super Slim Profile: Enjoy powerful computing packed into an ultra-sleek design.
Zero Bezel Display: Immersive viewing experience with a virtually borderless 23.8-inch monitor and a remarkably slim 2mm micro border.

Ergonomic and Flexible

Quick Release Stand: Effortlessly set up or reposition your workspace.
Height Adjustable Stand: Customize viewing angles for optimal comfort throughout your day.

Uncompromised Functionality

Full-Function Type C Port: Fast data transfer, charging, and video output—simplicity and convenience at its best.
Hidden Built-in Camera: Maintain privacy and professional aesthetics without sacrificing functionality.
Integrated SD Card Slot: Easily access your data and transfer files swiftly.

Superior Performance

Powered by SSD: Experience blazing-fast boot times and superior responsiveness, significantly enhancing productivity.

Intel® Core™ Performance: Available with Core i3, i5, or i7 processors—delivering the processing power you need, from routine tasks to demanding professional workloads.
